THE THURSDAY SEPTEMBER 12, 2019 MEETING TO BE HELD OUTDOORS AT THE NCRCC FLYING FIELD

The September 12th 2019 meeting will be held outdoors on Thursday evening at the NCRCC Flying Field

Activities Director's Report - September 2019

Irv Thurrott
Activities Director

Our next meeting will be on Thursday, September 12, 2019 at the NCRCC Field. The Grill will light up at about 5:30 PM and free food and drinks will be provided.

The "Pete Reed Q-500 Classic" went well – special thanks to all the NCRCC members who worked at this event. They all paid excellent attention to the tasks at hand resulting in zero complaints from any of the participants. Five rounds of each class (424 and 426) were flown each day and completed well prior to 5 PM. Some "experiments" were tried with the hope that the workers would have an enjoyable time. This included gifts for all the workers as well as "potty breaks on demand". As usual, the NEPRO Barbeque was

very enjoyable – special thanks to all who worked on this activity, especially Lloyd B. Pictures of the workers and contestants are on the NCRCC web-site – hope no workers were missed. Thanks also to the Mower Team for great field preparation.

Our next event, the "Annual Warbirds Over Ellington", will have taken place on September 7th, under the guidance of Contest Director, Dennis Thibodeau. The weather is almost unpredictable for this weekend and there is a Carnival and Parade scheduled at the park on route 140 on Saturday. Hopefully all these "factors" will have no negative impact on the Warbirds event. There will be Warbird Tee Shirts for sale as well as a huge Donation Raffle. All Raffle proceeds will be donated to the Connecticut Children's Medical Center. We'll discuss how the event went at the club meeting.

We're doing our best to keep each upcoming

"MOWING Day/Time" posted on the NCRCC Web-site. Hopefully this will help you to co-ordinate your flying time with the necessary mowing activities. We'd appreciate any feedback on this notification method at the club meeting as well.

Our last event of the year, the NCRCC Heli-Fest, is scheduled for October 12th (Saturday), starting at 8 AM. There will also be some very interesting "night-flying" after dark. Special lighting emphasizes the unique maneuverability of the aircraft and piloting skills of the contestants. This is always a great spectator experience for all R/C pilots, even if you don't fly helicopters. Joel Lang will be CD-ing this event, with assistance from Mike Lewandowski. Please try to check it out.

Hope to see you at the Field on Thursday, September 12th.

Activities Director, Irv

August 8, 2019 Meeting Minutes . . . continued

the dumpster for personal use. A large airplane box was dumped and took up way to much room. Please bring your trash home. If you came with it leave with it. The field is in pristine condition and he has purchased new sharp blades for mowers while maintaining those currently in our possession in top shape.

ACTIVITES DIRECTOR'S

REPORT: Irv addressed next NCRCC Club event is the "Warbirds over Ellington" Saturday Sept 7th, with rain date Sept 8th. Event starts at 8:00 am.

Dennis Thibodeau mentioned that there will be great raffle prizes. Please come out and support the event.

PUBLIC LIAISON'S OFFICER'S REPORT:

Position vacant no report.

UNFINISHED BUSINESS:

No unfinished business.

NEW BUSINESS: Dennis Thibodeau requested new wireless microphone stating that the existing "mike" is hard to use. Request by Bud Beaudoin to hire someone to

clear the Hedge row at right approach to field. Bob Martin requested that the Pilot stations be re-glued in places because they come apart too easily when moved for mowing.

INTRODUCTIONS: Peter Schriver and his son Mccullough Schriver both hailing from Marlborough, CT. They fly electrics mainly and would love to be members of the Club. Bob Martin requested that the Pilot stations be glued because the come apart too

easily when moved for mowing.

NEW MEMBERS: George Hawes was voted in unanimously this evening. Welcome back George.

ADJOURNMENT: Meeting adjourned by Bob LaFlamme at 6:46 p.m.

NCRCC Secretary

2019 HCRC Tail Gate Swap Meet Invite

Hello R/C Flying Clubs,

Hampshire County Radio Control Club (HCRC) in Hadley MA, will be hosting a tail gate swap meet on Saturday Sept 14th at our flying field located at 26 Honey Pot Road, Hadley, MA.

We have a rain date in place for Sunday 9/15. Be sure to check our web site at www.hampshirecountyrc.org or our Facebook page at

<https://www.facebook.com/groups/148353592007739/>

before coming out in case we need to go to our rain date.

Would you be so kind as to mention our event at your next club meeting and/or distribute the attached flyer on your club's website and/or newsletter? The flyer has all the details.

For any questions, please contact either:

Mike Shaw at mshaw.spfld@gmail.com or

Santiago Mercado at santme2000@hotmail.com.

Thank you and hope to see you there.

Michael Shaw, HCRC President
