Only one member of said committee can be an Executive Committee member.

Neither a secret paper ballot format nor an electronic format ballot will be necessary for any uncontested candidates. Voting for uncontested candidates shall be by either a written ballot, or by secret ballot, or by show of hands as the presiding officer shall determine.

When a blend of paper and electronic ballots are received, said committee will take due diligence in preventing duplicate or otherwise inappropriate ballot submissions from any Member.

Section 2. Voting on all other matters presented to the membership at the meeting shall be by either a written ballot, or by secret ballot, or by show of hands as the presiding officer shall determine; a simple majority of those in attendance shall rule, providing a quorum is present. Only one member of said committee can be a current Executive Committee member.

Section 2.

Proposed amendments (alterations or changes) by Members of the Club shall be submitted in writing (with exact wording), addressed to the Secretary at least twenty (20) days before the monthly Club meeting at which the amendment(s) will be discussed. The ballots shall be distributed by first-class mail within seven (7) days after the monthly Club meeting at which the amendment was discussed (and to include the ad hoc assessment committee's report, if applicable); ballots shall be counted at the next monthly meeting.

Since votes utilizing secret paper ballots will not have the member's name appear on the ballot, the exterior of the envelopes containing these returned ballots must bear the voter's legible signature.

Ballots must be received before the monthly meeting at which ballots are to be counted. A three (3) person ad hoc committee shall be appointed by the Executive Committee to collect ballots from the members in advance of the meeting, but no member shall be required to surrender his/her ballot to such a committee. Only one member of said committee can be a current Executive Committee member. Abstaining paper ballots must be so marked and signed and for the purposes of a quorum and shall be considered a cast ballot. An un-returned or blank ballot shall be considered a vote not cast and, as such, reducing the possibility of a quorum by one vote. Said committee will take due diligence in preventing duplicate or otherwise inappropriate ballot submissions from any member.

No ballot received after the votes have been counted may be added to modify the count.
